SCHOLAR DEMOGRAPHICS

ABOUT OUR SCHOOL

Uplift Infinity Preparatory is a tuition-free, public charter school managed by the Uplift Education charter school network. We offer a college preparatory curriculum to a diverse urban population of scholars, in grades preK-12. Our mission is to create and sustain a public school of excellence that empowers students to reach their highest potential in college and the global marketplace.

COMMUNITY SERVICE REQUIREMENTS

Community service and social responsibility are an integral part of Uplift Infinity. Scholars are required to complete community service hours as a part of the Creativity, Activity, and Service (CAS) component of the Diploma Programme.

EXTRACURRICULAR ACTIVITIES

Uplift Infinity offers 30 different extracurricular opportunities afterschool and during the enrichment period. These include organizations such as National Honor Society, Key Club, Scholar Council, Environmental League, Gay-Straight Alliance, Infinity Newsletter, and CAS Council in addition to the following UIL 3A Varsity athletic programs: Flag Football (M), Volleyball (W), Basketball (M/W), Soccer (M/W).

CURRICULUM AND GRADUATION REQUIREMENTS

Academic Rigor: Uplift Infinity is committed to ensuring all students have access to a rigorous college preparatory curriculum. The International Baccalaureate was introduced to encourage students to be internationally minded and academically well-rounded. As an IB continuum school, Infinity is authorized to offer the Primary Years Programme (PYP) for grades K-5, Middle Years Programme (MYP) for grades 6-10 and the Diploma Programme (DP) for grades 11-12. Uplift is a DP For ALL network and is committed to making sure that all scholars, regardless of their background or educational need, have access to participate in the Diploma Programme. Our scholars are also required to participate in the DP Core by taking a Theory of Knowledge course, completing a Creativity, Activity, and Service project, and Extended Essay. Current seniors have also had opportunities to participate in Advanced Placement and Dual Credit coursework.

Course Schedule: Uplift operates on a semester system and classes rotate daily on an A/B Block Schedule with four class periods a day, each lasting 90-minutes. Four days a week, the schedule also includes advisory and an additional enrichment/intervention block.

Graduation Requirements: Scholars must attempt the full Foundation High School Program, at least one Endorsement and the Distinguished Level of Achievement (26+ credits). Any scholar graduating on the Foundation Only program (22 credits) requires additional approval. A standard diploma through Uplift Education requires, at a minimum, the following credits:

| English (4) | Math (4) | Humanities (4) | Science (4) | Language Other Than English (3) | Fine Arts (1) | Physical Education (1) | Electives* (5) |
|-------------|----------|----------------|-------------|---------------------------------|---------------|------------------------|----------------|

- Credit recovery is mandatory for all failed courses required for graduation. All attempts are included on the transcript and calculated into the GPA.
- Pass/Fail, Local Credit, HS credit earned in Middle School and courses for which the scholar received prior credit, are not included in the GPA.

Classroom grading procedures are directly related to clear criteria and standards that show evidence of scholar mastery. Grades for behaviors such as effort and participation are considered minor grades and are either not calculated in the overall grade or calculated as a small percentage, not exceeding 20%.

POST GRADUATION DECISIONS FOR UPLIFT ALUMNI

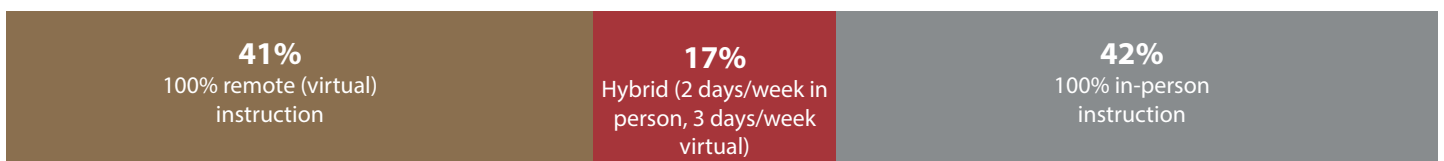

UPLIFT EDUCATION'S RESPONSE TO COVID-19

In alignment with state and local guidelines, we transitioned to a fully remote learning environment in March of 2020. Although, the 2020-2021 school year began in a 100% virtual format for all scholars, Uplift devised three different learning model options (in-person, hybrid, and virtual) for scholars and families to choose from in adherence to the Texas Education Agency (TEA) guidelines. For the 2021-2022 school year, Uplift has returned to a 100% in-person learning modality and will continue to adhere to local, state, and federal guidelines.

UPLIFT INFINITY SENIORS LEARNING MODEL DISTRIBUTION

The chart below shows the percentage of our current seniors who chose each of our three learning models during their junior year for the 2020-21 school year.
