## CURRICULUM AND GRADUATION REQUIREMENTS

**Academic Rigor:** Uplift Mighty is committed to exposing all scholars to a rigorous college preparatory curriculum. The International Baccalaureate was introduced to encourage students to be internationally minded and academically well-rounded. As an IB continuum school, Uplift Mighty is authorized to offer both the Middle Years Programme (MYP) for grades 6-10 and the Diploma Programme (DP) for grades 11-12. Uplift is a DP For ALL network and is committed to making sure that all scholars, regardless of their background or educational need, have access to participate in the Diploma Programme. Our scholars are also required to participate in the DP Core by taking a Theory of Knowledge course, completing a Creativity, Activity, and Service project and the Extended Essay. Current seniors have also had opportunities to participate in AP.

**Course Schedule:** Uplift operates on a semester system and classes rotate daily on an A/B Block Schedule with four class periods a day, each lasting 90-minutes. Four days a week, the schedule also includes advisory and an additional enrichment/intervention block.

**Graduation Requirements:** Scholars must attempt the full Foundation High School Program, at least one Endorsement and the Distinguished Level of Achievement (26+ credits). - AP/DP courses receive an extra 1.0 points for C- and above in calculating the weighted GPA.
- Credit recovery is mandatory for all failed courses required for graduation. All attempts are included on the transcript and calculated into the GPA.
- Pass/Fail, Local Credit, HS credit earned in Middle School, and courses for which the scholar received prior credit, are not included in the GPA.
- It is Uplift Education's policy not to rank scholars.
- Uplift Education uses a criterion-based approach to grading. All major grades are meant to reflect the scholar's skills and knowledge using a variety of summative and formative assessment tools. Classroom grading procedures are directly related to clear criteria and standards that show evidence of scholar mastery. Grades for behaviors such as effort and participation are considered minor grades and are either not calculated in the overall grade or calculated as a small percentage, no more than 20%.

## ADVANCED COURSES

- All courses in grades 6-10 are taught as part of the IB Middle Years Programme unless otherwise noted.
- All scholars in grades 11-12 are required to participate in some component of the IB Diploma Programme.

## POST GRADUATION DECISIONS FOR UPLIFT ALUMNI

## UPLIFT EDUCATION'S RESPONSE TO COVID-19

In alignment with state and local guidelines, we transitioned to a fully remote learning environment in March of 2020. Although, the 2020-2021 school year began in a 100% virtual format for all scholars, Uplift devised three different learning model options (in-person, hybrid, and virtual) for scholars and families to choose from in adherence to the Texas Education Agency (TEA) guidelines. For the 2021-2022 school year, Uplift has returned to a 100% in-person learning modality and will continue to adhere to local, state, and federal guidelines.

## UPLIFT MIGHTY SENIORS LEARNING MODEL DISTRIBUTION

The chart below shows the percentage of seniors who chose each of our three learning models for the first quarter of the 2020-21 school year.
