

## **School Supplies.**

Arriving to school with the right supplies allows scholars to feel confident and prepared. This also supports their independence. As a college preparatory school, we REQUIRE each scholar to have their own TI84 calculator. These calculators are pricey but are used on all standardized and college preparatory exams. Your scholar is already at a disadvantage if they do not have this calculator.

- • TI 84 Calculator
- • 2-inch Binder
- • Lined and Graphing Paper
- • Pens, Pencils
- • Index cards
- • Glue Sticks
- • One pack of colored pencils
- • Charged laptop (Chromebook) with charger.
- • General Classroom Supplies Welcomed/Needed: Expo markers, hand sanitizer, Clorox wipes, Power Towel.
