

## MATHia At Home Information

### Access Information:

There are two pathways scholars can access the online platform. Attached to this packet are step-by-step instructions for scholar access to MATHia through either pathway.

1. **Uplift Clever Student Account:** Scholars can log into their Uplift Clever account and find the Carnegie Learning Icon. This takes scholars directly to MATHia without having to use sign in credentials. Please contact your campus leaders for your personal Clever account username and password information.
2. **Carnegie Learning Website:** Scholars may log in directly to the Carnegie Learning website and enter their usernames [student ID#] and the website will prompt them to create a password. Please contact your campus leaders if you are not sure of your scholar's student ID#.

### MATHia Skills Practice Pathway:

As scholars work through practice problems within the MATHia program, they will be provided with just-in-time support and hints that will assist them as they work through the pathway.
