Academic Rigor: Academic Rigor: Uplift North Hills is committed to exposing all scholars to a rigorous college preparatory curriculum. The International Baccalaureate was introduced to encourage students to be internationally minded and academically well-rounded. As an IB continuum school, North Hills is authorized to offer both the Middle Years Programme (MYP) for grades 6-10 and the Diploma Programme (DP) for grades 11-12. Uplift is a DP For ALL network and is committed to making sure that all scholars, regardless of their background or educational need, have access to participate in the Diploma Programme. Our scholars are also required to participate in the DP Core by taking the Theory of Knowledge course, completing the Creativity, Action and Service project, and writing the Extended Essay. Current seniors have also participated in AP and Dual Credit coursework.
