

Uplift Atlas Middle School 2022-2023 School Supply List

First day of school, August 3, 2022: We ask that all Uplift Atlas Middle School scholars in grades 6-8 have a backpack or cloth, zipper three-ring binder with basic supplies for completing classwork and homework listed below on the first day of school. Scholars in grades 6 and 7 will also need to start the year prepared to dress out for PE class.

September 1, 2022: All remaining supplies due. Our teachers will be collaborating on any additional supplies needed when they return to work at the end of July. Any additional required supplies will be emailed to parents and posted online by Wednesday, August 4. Scholars will have until Wednesday, September 1 to bring these supplies to school.

Chromebooks: The campus will ensure that all scholars have a Chromebook to use for the school year.

Items to have on the first day of school: *These are items scholars will keep with them to use in all their classes on a daily basis. Your scholar(s) teacher will give a list of supplies scholars will need for their class specifically.*

****We strongly encourage scholars and parents to continue following COVID-19 safety measures for the 2022-2023 school year, especially if your scholar(s) have not been vaccinated. These measurements would be using a mask and hand sanitizer.**

QUANTITY	ITEM	QUANTITY	ITEM
1	Regular backpack for daily use (or cloth, zipper three-ring binder that can hold all daily school supplies)	2	Erasers
1	Drawstring backpack or other bag for PE clothes (optional)	2	Red or other colored pens (For annotating and grading)
1	Refillable water bottle (optional)	2	Black or blue pens
2	Packs of college-ruled loose-leaf paper	1	Manual pencil sharpener
2 or more	Folder with pockets	1	Pack of highlighters (to use in every class)
