SCHOLAR DEMOGRAPHICS

ABOUT OUR SCHOOL

Uplift Heights Healthcare Institute, formerly Uplift Heights Preparatory, is a tuition-free public charter school managed by the Uplift Education charter school network. It is an IB World School that offers a college preparatory and career technical education curriculum to a diverse urban population of scholars in grades PreK-12. Uplift Heights Healthcare Institute is an active part of the revitalization of West Dallas through a unique collaboration with Baylor, Scott, & White Health. Beginning with the Class of 2028, scholars will explore a range of healthcare careers, participate in profession-based learning experiences, and take foundational healthcare courses in addition to IB coursework.

COMMUNITY SERVICE REQUIREMENTS

Creativity, activity, service (CAS) is a key component of the IB Diploma Programme core. With its holistic approach, CAS is designed to strengthen and extend students' personal and interpersonal learning through experiences. CAS formally begins at the start of 11th grade and continues regularly for at least 18 months with a reasonable balance between creativity, activity and service. This often takes form in scholars participating in extra-curricular activities and community service in order to fulfill the requirements of CAS.

EXTRACURRICULAR ACTIVITIES

Uplift Heights offers a diverse set of extracurricular opportunities during and after the school day. This includes organizations such as Bio Bosses, Music Club, No Place For Hate, Helping Hands, Speech & Debate, Student Council, Book Club, Art Club, HOSA Future Health Professionals, National Honor Society, in addition to Basketball (M/W), Soccer(M/W), Flag Football (M), Volleyball (W), Cross Country (M/W), Track & Field (M/W) and Cheer Team (M/W).

CURRICULUM AND GRADUATION REQUIREMENTS

Academic Rigor: Uplift Heights is committed to exposing all scholars to a rigorous college preparatory curriculum. The International Baccalaureate was introduced to encourage students to be internationally minded and academically well-rounded. As an IB continuum school, Heights is authorized to offer the Primary Years Programme (PYP) for grades K-5, Middle Years Programme (MYP) for grades 6-10, and the Diploma Programme (DP) for grades 11-12. Uplift is a DP For ALL network and is committed to making sure that all scholars, regardless of their background or educational need, have access to participate in the Diploma Programme. Our scholars are also required to participate in the DP Core by taking a Theory of Knowledge course, completing a Creativity, Activity, and Service project, and composing an Extended Essay.

Course Schedule: Uplift scholars accrue credits by semester, with most courses being year-long. Classes follow a 75-minute successive block schedule. Scholars previously followed a 45-minute and 90-minute rotating block schedule. Four days a week, the schedule includes Condor RISE Time(Advisory) an enrichment and intervention period.

Graduation Requirements: Scholars must attempt the full Foundation High School Program, at least one Endorsement and the Texas Distinguished Level of Achievement diploma (26+ credits). Any scholar graduating on the Foundation Only program (22 credits) requires additional approval. A standard diploma through Uplift Education requires, at minimum, the following:
