Medication Authorization Form

Student's Name: _____DOB_____School:_____Grade_____

Physician: _____Phone:_____ Fax: _____

According to the Texas Education Code and Uplift Education's policy, all medications administered at school must comply with the following guidelines:

1. **All medication(s)** must be in its original/properly labeled container with written request from the parent/guardian. The medication must be FDA approved with dosage information clearly marked on the container.
2. Over the counter medications kept at school for greater than 5 consecutive days will require authorization from a licensed physician.
3. Only medications that cannot be given at home will be given at school.
4. No more than a 30 day supply of medication(s) will be accepted at a time.
5. Medication that has expired or is not picked up by the parent will be properly destroyed.
6. Authorized district employees may administer medication(s) when a nurse is not available.
7. Aspirin or products containing aspirin will not be given without a physician's order.
8. Medication(s) purchased in a foreign country will not be administered to scholars, unless the pharmacy is a U.S. FDA approved pharmacy.

******For student safety, all medications should be brought to the clinic by the parent/guardian.***

Medications	Dose	Route	Time	Possible Side Effects	Length of Time to be Administered
