ABOUT OUR SCHOOL

Uplift Summit International Preparatory is a tuition-free, public charter school managed by the Uplift Education charter school network. We offer a college preparatory curriculum to a diverse urban population of scholars, in grades K-12, in the Dallas suburb of Arlington, Texas. Our mission is to create and sustain a public school of excellence that empowers students to reach their highest potential in college and the global marketplace.

COMMUNITY SERVICE REQUIREMENTS

Community service and social responsibility are an integral part of Uplift Summit. Scholars are required to complete community service hours as a part of the Creativity, Activity and Service (CAS) component of the Diploma Programme.

EXTRACURRICULAR ACTIVITIES

Uplift Summit offers 30+ different extracurricular opportunities. This includes multiple honor societies, affinity organizations, a variety of clubs, in addition to UIL 3A Varsity athletic programs in Basketball (M/W), Soccer (M/W), Cross Country/Track (M/W), Volleyball (W) and Cheerleading.

CURRICULUM AND GRADUATION REQUIREMENTS

Academic Rigor: Uplift Summit is committed to exposing all scholars to a rigorous college preparatory curriculum. The International Baccalaureate® model encourages students to be internationally minded and academically well-rounded. As an IB continuum school, Uplift Summit is authorized to offer the Primary Years Programme (PYP), Middle Years Programme (MYP), and the Diploma Programme (DP).

IB For All: Uplift is a DP For ALL network and is committed to making sure that all scholars, regardless of their background or educational need, have access to participate in the Diploma Programme. Scholars are also required to participate in the DP Core. This requires scholars to take a Theory of Knowledge course, complete Creativity, Activity, and Service (CAS) experiences, and write an Extended Essay. Current seniors have also had opportunities to participate in Advanced Placement coursework.

Course Schedule: Uplift operates on a semester system. Classes rotate on an A/B Block Schedule with five days of four 90-minute periods. Four days a week the schedule also includes advisory and an additional enrichment/intervention block.

Graduation Requirements: Scholars must attempt the full Foundation High School Program, at least one Endorsement and the Distinguished Level of Achievement (26+ credits). Any scholar graduating on the Foundation Only program (22 credits) requires additional approval. Scholars must complete the following:

English (4)	Math (4)	Humanities (4)	Science (4)	Language other than English (3)	Fine Arts (1)	Physical Education (1)	Electives* (5)
-------------	----------	----------------	-------------	---------------------------------	---------------	------------------------	----------------
