Picture Day

We are so excited for Fall Picture Day that will take place on Wednesday, September 1, 2021. Scholars will be taking individual and class pictures. For class pictures all scholars and staff will be wearing a mask. Scholars can wear their purple polo or Monday's Platinum attire for pictures

Breakfast

Breakfast closes at 8:00am daily! All scholars should be in the building by 7:55am. 8 is late!

Uniform Reminders

ALL Primary scholars are required to wear their Uplift Pinnacle Primary uniform from Monday to Friday. The only exception is on a \$2.00 Jeans Day where notification will be sent home informing you of this change in attire. You can find the dates for our Jeans Day on the monthly calendar or the biweekly Panther notes. **Scholars are expected to wear their uniforms daily with purple polo and black or grey bottom. Scholars can wear White button up for Monday's Platinum Uniform. Solid black, brown or white shoes with soles that are non-marking and should be made of rubber.**

A Message from Administration

We are incredibly excited to have you as part of our family this year. Uplift Pinnacle is a school that is focused on preparing scholars to graduate from college beginning in their first days of school. We are committed to providing a nurturing yet academically rigorous education. It is our role as leaders to be a servant to our scholars, families, and community. As a school we have decided to focus on helping children develop as readers and writers. We are asking you to play a role by reading with your child each night. Children who read more read better, and being able to read means you are more likely to be successful in life and to contribute to society. Make sure that your child is reading for at least 30 minutes each night. Ask your children to tell you about the book that they are reading. Remember if you would like to know what is going on please like our Facebook page or check our website: <https://www.uplifteducation.org/domain/3296> or Facebook: <https://www.facebook.com/UpliftPinnaclePrimary>

Luminare

Every scholar, staff member, and visitor entering an Uplift building will be required to complete a health screening questionnaire. The questions will take less than a minute to answer, and you will receive an immediate response. A "green" response means you are clear to enter the building and will give you an animal of the day. A "red" response means you may not enter the building. Click the link:

Book of the Month

The book of the month is a story of how strangers become part of a community. In **Stone Soup** by Marcia Brown, three tired and hungry soldiers come upon a town that does not wish to share any of their food with the strangers. They are turned away house after house. It is a story about the power evoked when a community comes together to work for a common goal. You can check this book out at the public library.

Educational Resource of the Week
