

# Morning Arrival Upgrades

*Effective Immediately*

**Morning Arrival takes place from 7:15-8:00.**

- This allows scholars to get breakfast and get acclimated to the classroom and begin instruction on time. Arriving at or after 8am causes scholars to miss the start of instruction and adds transition time needed for them to feel ready for the day.

**Scholars are tardy as of 8am.**

**Parents may not drop scholars off by stopping traffic on Church St, NE 2nd or NE 4th street.**

- These are public streets and causes a safety concern with scholars getting out in ongoing traffic. Communication has been sent out previously our GP Police Department brought it to our attention.

**Effective immediately, GPPD will begin giving citations (Texas Penal Code Section 42.03) to cars stopping on the streets around Grand Primary to drop off scholars. At 8am, parents **MUST** park to walk their scholars inside. The doors will not buzz open without an adult present.**

**Please support the safety of our scholars by arriving in carline 7:15 - 8:00 or parking to walk your scholar into the building.**
