| VII. Administrative Action Items for Executive Committee | The board took agenda items out of order and addressed action items first.  
1. 20-21 Academic Calendar: Administration is recommending adding “COVID-19 Make-Up Days” to the month of June.  
2. Teacher Incentive Allotment (TIA): Uplift is applying for the State’s performance bonus program for our top teachers and our board is required to approve the application. Anne E. reviewed the TIA application process and expected benefit to Uplift, such as the following: (1) Uplift will put up 139 teachers for designation (18 master, 55 exemplar, and 66 recognized) from 33 different schools based on 18-19 performance | Upon motion by L. Melville to approve the TIA application, and seconded by E. Tauriac, the board unanimously voted to approve and submit the TIA application as presented.  
Upon motion by A. Fuentes to approve, again, the revised Admissions and Enrollment policy |
data, (2) Uplift will pay $500 per teacher to TEA to receive initial designation – total cost of $69,500, (3) Uplift will receive $1,383,674 in allotment funds- 90% ($1,245,306) going directly to those teachers’ compensation and 10% ($138,367) reserved for program costs.

3. **Admissions and Enrollment Policy:** The board approved this in last board meeting, but TEA requires an official resolution with signatures to be submitted with a non-expansion amendment.

4. **2020 Bond Issuance:** Administration provided a review of dollars projected to be spent, an overview of 2019 bond issuance and 2020 bond issuance, and reviewed August issuance timeline of events. Bond projects include the (1) Uplift Elevate Primary School Building and (2) Uplift Cooks Lane (Summit feeder).

5. **TEA Audit Waiver:** TEA has changed the way all public schools received funding in Q4 during the pandemic which will require additional accounting work and hence offered all districts to submit their audit in January. Administration’s recommendation is to approve the waiver request.

6. **Acquisition of Carter and Bridgepoint Properties:** Administration reviewed details regarding its recommendation to purchase two small lots adjacent to Uplift’s Cooks Lane school site to prevent having an undesirable commercial tenant next door to our future school. The board Facilities Committee is recommending the purchase as well.

7. **Regions LOC:** Administration is recommending the board approve use of Uplift’s line of credit to allow Uplift to close on properties before bond issuance, if necessary.

8. **TEA Waiver on Kinder and 7th Grade Assignments:** As part of HB 3, TEA was intending on issuing new required reading assessments. Because of the nature of these assessments and the likely large numbers of children learning remotely in 20-21, TEA is offering a waiver of this requirement for the school year. Administration is recommending the board approve the waiver request.
