**Human Capital & Retention Update**

D. Meyer presented data from exit interviews conducted this year concerning reasons for teachers leaving. Many of the reasons given were about the demands of the work and hours expected to work. Work-life balance is an issue. Compensation appears to be of lesser importance. Board discussed the data and offered suggestions to improve the work load. Also acknowledged that other districts, and particularly DISD, are actively recruiting our teachers.

**Charter Expansion Amendments**

A. Stevenson presented a resolution to approve the addition of two new campuses for 2014-2015, with one campus to be under the North Hills charter and one under the Summit charter. These two locations are part of the growth plan previously discussed with the Board. Additionally, the resolutions also authorized the application to seek a “new school designation” for these locations in connection with the application for start-up funds. After discussion and upon motion by D. Wiggins and seconded by C. Carter, the resolutions were approved. Amendment requests will be filed with TEA.

**Teacher Certification Policy**

A. Stevenson presented the proposed policy for requiring all Uplift teachers to be certified and to complete the Uplift certification program if they are not. The proposed policy had been provided to the board as part of the board packet. R. Harrison, CAO, discussed rationale for the policy and implementation process. After discussion, and upon motion by D. Wiggins and seconded by C. Carter, the policy was approved as written.

**Real Estate Offer**

B. Mays and A. Stevenson presented a proposed letter of intent for a piece of land off Kiest Blvd that would be a site for a K-12 school for Pinnacle. B. Mays presented the analysis of economics of a ground-up construction on this site. There are some questions about the site use which are being explored. Upon motion by J. Terry and seconded by R. Ray, the board approved the non-binding LOI.

**Discussion and vote on officers and board members**

M. Giles presented the recommendations of the governance committee for election of officers and board members. It was noted that Brice Tarzwell has resigned from the board due to work demands. No vote was taken because quorum of trustees not present. Vote on officers and directors at next board meeting.

**2013-14 draft Dashboard**

Y. Bhatia presented the overall goals for FY 13-14 and the balanced scorecard for Uplift. The board discussed the goals and made comments. Recommendation to add measures around parent communication. Final draft of the score card will be presented at future meeting for approval.
