Uplift Families-

We are continuing our curbside meal pick up this week with **one major change**. A spouse of an employee at Uplift Williams has tested positive for COVID-19. At this time, the employee has not tested positive. However, in light of this information, and in an abundance of caution, we have decided to close the Uplift Williams kitchen for the next few weeks. Uplift uses necessary precautions at all of our locations, and all Uplift staff wear masks and gloves when handling and distributing food. The safety of our families and employees is our top priority.

At this time, our Uplift Williams school will be closed for curbside meals. If this was your closest location, please plan some extra time and drive to Uplift Peak; or any of the other locations listed below. **We will extend the time at Uplift Peak from 9:30am-12:30pm to accommodate this change.** We are also evaluating adding another location for meal pick-up in West Dallas as we know this is the most convenient area for the families who had been going to Uplift Williams. We will send out a communication to families if we are able to add a site.

We will be offering breakfast and lunch between the hours of 9:30am and 11:30am at all the other locations. Scholars will have the option to take breakfast, lunch or both during these times. The daily menu can be found here: <https://www.uplifteducation.org/Page/16826>. Locations are listed below:

Ascend - 3301 Turf Paradise Pkwy, Fort Worth, TX 76140

Hampton - 8915 S. Hampton Road, Dallas, TX 75232

Wisdom - 301 W. Camp Wisdom Rd., Dallas, TX 75232

Peak - 4600 Bryan Street, Dallas, TX 75204

If you don't live near one of our 4 Uplift food pick up locations, you can also get a free meal from any public school near you that is offering food. Go to <https://txschools.gov/> and click on "meal finder locator." You will be able to enter your home address to see which other public schools are providing breakfast and lunch near you. So happy we can keep your bellies full during this time.

If you have any concerns or questions please contact our Director of Health Services Amy Cannon at acannon@uplifteducation.org.

Sincerely,

Yasmin Bhatia
Uplift Education, CEO
