III. Purchase of Real Property Located at 9743 East RL Thornton Freeway.

The resolution approves the purchase of the real property located at 9743 East RL Thornton, on which a new Uplift Luna PreK-12th grade campus will be built. The LOI and Sale and Purchase Agreement have been executed and this resolution signifies the Board’s approval.

Y. Bhatia provided an overview of the real property for the Board and the rationale for the purchase. Ultimately, the plan is for Uplift to move its Luna campuses (primary and secondary) to this property. R. Frapart provided additional context as well, informing the Board that the Facilities Committee had spent a lot of time vetting the property and the rationale for the purchase.

The Board discussed the scholar headcount expected at the new site once built and issues regarding the current Luna sites, such as not being traditional campuses and the primary school not having a playground.

**ACTION ITEM: Consider and take action on the resolution approving the purchase of real property located at 9743 East RL Thornton Freeway.**

The reimbursement resolution signifies that Uplift intends to reimburse itself for money it has already spent on “facilities projects” with tax exempt bond proceeds dollars which we have not yet issued or received. J. Jahnke explained the resolution is for tax purposes.

**ACTION ITEM: Consider and take action on reimbursement resolution for facilities projects.**

Upon motion by A. Fuentes, and seconded by L. Melville, the Board unanimously approved the resolution approving the purchase of real property located at 9743 East RL Thornton Freeway, as presented.

Upon motion by J. Beckert, and seconded by A. McEwing, the Board unanimously approved the resolution approving the reimbursement of funds for facilities projects.
