

# Champions March 2021

Take a look at February's Black History Month as we celebrated: **Brilliant Brains, Vibrant Visionaries, Awesome Artists, and Amazing Athletes.**

## Schedule Changes:

All schedule changes must be made the **Tuesday** prior to the week of services.

Tuition is billed on **Thursday** for the following week based on the schedule you enter online; not based on the child's actual attendance

## \*HEALTH AND SAFETY\*

Champions' staff diligently follows our hygiene and cleaning procedures in accordance with the CDC to ensure the safety of everyone that comes into our programs. This includes regular handwashing, sanitizing of materials and high touch surfaces, temperature checks, and the mandatory use of masks for all students, staff, and persons who enter the program.

Our panel of medical experts helped us develop a plan for a new standard in child care, and we could use your help. Thanks for helping us put safety first! – See our detailed plan on *Keeping Our Sites Safe* at your local center.

## March Curriculum:

### Disability Awareness Month

**Week One: Awareness-**Children will learn the tools people with disabilities use for mobility and accessibility.

**Week Two: Empathy-**Children will gain a better understanding of how it feels to have disability.

**Week Three: Acceptance-** Children will learn to embrace and normalize disabilities as they celebrate their unique differences.

**Week Four: Advocacy-** Children will explore ways they can support and stand up for people with disabilities through activism and inclusion.
