V. State Intruder Detection Audit Finding

This item was presented on by A. Berk and included the following: Uplift Pinnacle Primary School was flagged for not having correct documentation on their weekly exterior door sweeps. Responsible staff were trained on February 13, 2023, and the Local Safety and Security Committee met on February 23, 2023. Uplift’s Corrective Action Plan is due to the Texas Safety and Security Committee 45 business days from the date of initial notification.

VI. Finance Update AND VII. Enrollment and Marketing/Engagement Update and Strategy for 23-24 SY

Y. Bhatia provided this Update, which included the following information:
1. Sharing of new members who’ve joined our Financial Services Team.
   a. Leslie Berlin, CFO
   b. Kamal Manik, Controller
   c. JoAnn Pacheco, Director of Restricted Programs
   d. Timothy Graham, Director of Procurement
   e. Zach Kotz, Director of Finance
2. Deep dive into enrollment and marketing plans for next year.
4. Update on Spring bond program timeline.

Uplift’s Budget is driven by the following four main factors:
1. Enrollment (retention of current scholars + new scholars)
2. State funding per student (includes attendance)
3. Expense management
4. Philanthropic support

Enrollment Update, including data on the following:
2. Path to 23-24 enrollment, including gaps.
3. Application gaps by school and grade.
4. Intentional stakeholder management
   a. Ensure new families convert from lottery to ‘fully enrolled” status.
   b. Minimize withdrawal rates of current families.
   c. Maintain high parent sentiment for both retention and support of ‘word of mouth’ advertising.
   d. Meet the needs of older scholars who often influence parents on which school they attend.
5. Application to first day of school funnel 21-22.

R. Washington provided information on the following:
1. Key points of scholar feedback survey.
2. What scholars value about Uplift high schools.
3. Why scholars want to attend a non-Uplift high school.
4. Steps we have taken this year to address feedback:
   a. School policies
   b. Course offering
   c. Athletics/Activities
5. Next steps regarding high school programming.

D. Bigham provided information on the following:
2. What Lead Generation looks like as a process.
3. Leveraging paid TV spots
4. Tactical marketing changes

Y. Bhatia provided information on the following:
1. Update on the budget process for 23-24:
a. Based on pro forma budget for next school year with the winding down of ESSER and softer enrollment, we need to find $30M of savings/ additional revenue.

b. Met with all 45 school leaders in individual meetings during the week of February 13th.

c. Adjusted campus staffing plans based on repurposing State Comp Ed funds to support positions typically covered by Gen Ed/ Basic Allotment funds.

d. Adjusted campus staffing plans based on current enrollment realities (when needed).

e. Process resulted in reduction of 88 positions worth about $9 million in payroll for next year.

f. Next step in process is to work on CMO payroll and non-payroll; needed to start with campuses first as our network transfer window opens April 3rd and letter of assurance process for teachers goes out right after Spring Break.

2. Path to budget reductions.

3. Updated bond process timeline:
   a. Submit new PSF application the week of Feb 6 (completed)
   b. Receive the PSF allocation by mid-March
   c. Sell (price) the bonds on or about March 23
   d. Close the bond issue on or about Apr 4

Administrative Action Items were presenting on by A. Berk and included the following:

1. At the February 8th board meeting, the Executive Committee approved the 23-24 academic calendar. Since that afternoon, we received feedback from internal stakeholders regarding preferred days to use as “bad weather make-up days,” and have adjusted the 23-24 calendar to account for that preference.

A**CTION ITEM**: Consider and take action on approving revised academic calendar for the 23-24 School Year.

1. TEA requires all school districts to meet a certain number of minutes/days in a school year – 75,600 minutes/180 days – but understands that health and safety issues out of our control can occur that prevents us from meeting those requirements. If we do have a health or safety issue that forces us to close school, we must first use our two “bad weather make-up days” already built into our academic calendar. After that, we can apply for a waiver from TEA for the minutes/days we will not meet due to the forced closures.

---

IX. Administrative Action Items

2. Due to the recent winter storm in January, we were forced to close school for four school days. After using our two “bad weather
make-up days” for 1/31/23 and 2/1/23, we are left with two school days we need a missed school day waiver for – 2/2/23 and 2/3/23.

3. Additionally, last semester, Uplift Gradus had a power outage on 8/18/22 and was forced to close. Because Gradus is already using its two “bad weather make-up days” for the winter storm, we need to apply for a missed school day waiver for 8/18/22.

**ACTION ITEM:** Consider and take action on approving TEA waiver for missed school days due to inclement weather.

**ACTION ITEM:** Consider and take action on approving TEA waiver for missed school day for Uplift Gradus Preparatory due to power outage.

4. The Richard B. Russell National School Lunch Act requires every school district in the country to have a wellness policy that outlines efforts to create supportive school nutrition and physical activity environments. It has been a number of years since the board last approved the current Wellness Policy and we are asking the board to formally re-approve it to comply with the Act.

**ACTION ITEM:** Consider and take action on renewing CNP School Wellness Policy.

| X. Closed Session | The board did not retire to closed session. |
| XI. Adjournment   | There being no further business before the before, L. Melville adjourned the meeting at 6:26 p.m. |

Respectfully submitted by Alexander S. Berk, Secretary.
